Majestic Radio Tubes

MORE POWER....
Longer Life...More Rigid Construction

Majestic tubes are more free from artificial static and tube noises because of more accurate construction and care in treating and ageing materials.

Majestic tubes retain their characteristics better in handling and shipping, due to supporting elements twice as husky as others.

FOR STYLE in Electric Refrigeration SEE THE NORGE

Norgo Electric Refrigerator has the Rollator, a compact and powerful refrigerating mechanism that is almost everlasting!

The WATERVOIR

Every part of the Norgo has been built to be equally long lived, and that includes its design, too. The Norgo cabinet is styled along classic lines, harmonious with any decorative scheme . . . it will stay a thing of beauty for all of the years and years you own it.

If you would have every refrigeration advantage . . . see the Norgo before you buy . . . we like to show its superiorities. Manufactured by Norgo Corporation, Detroit, a division of Borg-Warner, originators of free wheeling.
